

Block Island Race Week XXII
June 16, 2007 1300 hrs.
Sailing Instruction Amendment 3

Appendix 1 is changed to allow an additional windward mark without an offset-mark at a greater distance than Mark 1 for the IRC Super Zero class. The courses will be signaled as described in Appendix 1 A2.2.

Sailing instruction 9.2 is changed to allow a change of color of the primary windward mark in a starting sequence. The color change will be broadcast on the designated VHF channel.

Appendix 1 and course diagrams are changed to allow that if the offset mark is missing the competitors shall round the windward mark only.
