

Amendment to NOR Keelboat Series

1. Number of Races The number of races is not confirmed as four per day although that may be the intention. The first race of every race day will not start before 11 am and the last race will not start after 2 pm.
2. Classes: All boats will be entered under a single class being the CSA rating with the exception of the Jeanneau 20 Sunfast. These boats will be considered as a one design class although they may start together with other CSA classes.
3. Scoring: Entries that are unable to compete in the non-keelboat day events for licensing or other reasons will have their scores corrected to not include those events (CDLA and Anguilla Regattas)
