# General Information

(This general information does not rank as *rules*. If needed as a *rule*, it is explicitly included in the NOR, or SIs)

## COVID-19

While the outdoor sport of sailboat racing is now allowed under the Government of Ontario's Regulations, that does not mean that there is no danger from COVID-19. LOOR encourages all participants to take the appropriate precautions against COVID-19 appropriate for their circumstances to protect themselves and their crew, while involved in the competition.

We suggest you consult the COVID-19 related web sites of the Government of Canada, Government of Ontario, and your region's Public Health Department for information on applicable precautions and preventative steps.

While at Port Credit Yacht Club (PCYC), you are required to adhere to all the Club's COVID-19 policies and requirements in effect at that time.

## YB Trackers

Any registered sailboat that participates in the LO300/L0600 2021 and does not obtain a YB Tracker from the Organizing Authority (OA) before the race **will be protested** by the LOOR Race Committee. See NoR 4.9.

# SAILING INSTRUCTIONS

The notation '[DP]' in a rule in the Notice of Race (NoR), Sailing Instructions (SIs) or other additional document that is a rule means that the penalty for a breach of that rule may, at the discretion of the protest committee, be less than disqualification.

The notation '[NP]' in a rule in the Notice of Race (NoR), Sailing Instructions (SIs) or other additional document that is a rule means that the penalty for a breach of that rule will not be grounds for a protest by a sailboat.

The Racing Rules of Sailing (RRS) 2021-2024 state that items, *Rules*, and the Notice of Race (NoR) do not have to be repeated in Sailing Instructions (SIs). Both the NoR and SIs describe the conduct of the event and need to be used jointly during the event.

## 1 The RULES

1.1 The event is governed by the rules as defined in The Racing Rules of Sailing.

1.2 The event is also governed by the following documents.

1.2.1 [DP] LOOR Offshore Special Regulations (OSR)

The event is a Category 3 Event under the World Sailing Offshore Special Regulations. Offshore Special Regulations for Category 3 with prescriptions from Sail Canada and amended by the Lake Ontario Offshore Racing apply, as documented in:

[LOOR Offshore Special Regulations for Category 3 Monohulls](#)

[LOOR Offshore Special Regulations for Category 3 Multihulls](#)

These are available on the [Registration and Race Document Web Site](#). See page 19.

1.2.2 [DP] Ontario Environmental Protection Act Regulations #343, available here:

[www.e-laws.gov.on.ca/html/reg/english/elaws\\_regs\\_900343\\_e.htm](http://www.e-laws.gov.on.ca/html/reg/english/elaws_regs_900343_e.htm)

1.3 The Racing Rule(s) will be changed as outlined below.

1.3.1 RRS 28.1

Is changed as follows.

A boat shall *start* or be assessed the time penalty in 1.3.2, *sail the course* and then *finish* or be assessed the time penalty in 1.3.2, when any part of her hull crosses the finishing line from the course side, unless if after crossing the finishing line she

(a) takes a penalty under rule 44.2,

(b) corrects an error in sailing the course made at the line, or

(c) continues to sail the course.

While doing so, she may leave on either side a *mark* that does not begin, bound, or end the leg she is sailing. After *finishing or* being assessed the time penalty in 1.3.2, when any part of her hull crosses the finishing line from the course side, she need not cross the finishing line completely.

1.3.2 RRS 29.1, RRS 64.1 (a) and RRS Appendix A5

A sailboat that is OCS at the start of her class is assessed a 45-minute penalty. A sailboat starting six minutes before her Start Signal may be protested by the Race Committee, and the Protest Committee will apply an appropriate penalty if the sailboat is found to have infringed this. This changes RRS 29.1, RRS 64.1 (a) and RRS Appendix A5.

1.3.3 RRS 41 Outside Help

All forms of communication. Each sailboat may communicate with any person, competitor, sailboat, or outside source for information available using any means available throughout the race. This changes RRS 41.

1.3.4 RRS 42.3 Exceptions

An engine may be used for generating electrical power provided that such use does not advance the boat's position. This changes RRS 42.3.

1.3.5 RRS 51 Movable Ballast

Canting keels and water ballast are allowed, assuming the applicable class/measurement/handicap rules permit them. This changes RRS 51.

1.3.6 RRS 52 Manual Power

Is modified to allow canting keels and water ballast, assuming the applicable class/measurement/handicap rules permit them.

All movable ballast systems must be capable of manual operation if the powered systems are inoperable.

The use of power auto helm devices is allowed. This changes RRS 52.

1.3.7 RRS 60.1 (a)

Breaches of specific Sailing Instructions, as denoted in the Sailing Instructions by "[NP]", will not be grounds for a protest by a sailboat. This changes RRS 60.1 (a).

1.3.8 [NP] RRS 62 Redress

The Race Committee may announce sailboats subject to RRS 29.1.

The Race Committee may announce a sailboat's successful completion at the finish. This changes RRS 62.

1.3.9 RRS 64.2

For infringements of the rules other than Part 2, the Jury may award a lesser penalty than DSQ, unless stated otherwise in the Notice of Race or Sailing Instructions. This changes RRS 64.2.

- 1.3.10 RRS A4 & A5  
A sailboat not starting within 90 minutes of her starting signal will be scored DNS. This changes RRS A4 & A5.
- 1.3.11 Changes applicable to only Singlehanded (Solo Challenge) sailboats in the LO300 and all sailboats in the LO600, after finishing the LO300, i.e., for the second time around the course for the LO600.
- 1.3.11.1 [DP] RRS 41  
A boat may anchor or tie to a dock.  
Including when a boat is anchored or moored, the following are specifically prohibited:  
(A) Any prearranged transmissions for the advantage of the Person in Charge.  
(B) Communications with non-participants for the purpose of a position fix.  
(C) Outside physical assistance, an example of which is to free a grounded boat.  
(D) Materials, equipment or supplies of any sort shall not be taken aboard the boat.  
(E) No materials shall leave the boat except that accidentally fall overboard or are supplied to others in distress.  
If a Person in Charge feels that it is necessary to withdraw from the Challenge temporarily, he or she shall attempt to continue to be as self-sufficient as he or she would be if he or she were still on the course and remain on the boat except to attend to docking or address required customs and immigration.  
This changes RRS 41.
- 1.3.11.2 RRS 42 Propulsion  
(A) Engine propulsion may be used to avoid a collision with commercial traffic providing that such usage does not advance the boat's position from its original position just prior to the hazardous incident.  
(B) A boat may temporarily withdraw from the Challenge. To safely enter or leave a harbour, and motoring from a minimum safe distance for the conditions is acceptable. Any motoring that would be necessary must not advance the sailboat's position.  
(C) An engine may be used for generating electrical power provided that such use does not advance the boat's position.  
(D) All uses of the engine for propulsion must be logged and reported to the Race Committee when checking in after finishing race.  
(E) Engine propulsion may be used to clear seaweed or fish netting from

the keel, rudder, or propeller if the use does not improve the boat's position.

This changes RRS 42.

#### 1.4 Changes to Class Rules

##### 1.4.1 ORC

##### 1.4.1.1 ORC 102

The following is added at the end of 102.

Fully crewed rating is based on declared or default crew weight. The maximum crew weight in certificates is converted to head count instead of weighing a named list of crews on the basis of a nominal 85 kg or 187 lbs. per person. To comply, the owner is to determine the maximum crew weight for the purpose of the certificate on the basis of the anticipated number of crews.

##### 1.4.1.2 ORC 209

The following is added at the end of 209.

The number of ORC permitted spinnakers shall be increased by one additional sail. ORC sail inventory excludes storm and heavy weather sails required by the LOOR Offshore Special Regulations for Category 3.

#### 1.5 RRS Appendix RV, Reduced Visibility replaces RRS Part 2 from 2000 until 0800, the next day. This document attached at end of these SIs.

#### 1.6 When rule 20 applies, a boat may indicate her need for room to tack or her response by VHF radio on channels 16 and 71 Canadian.

These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling

errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia, or other causes.

## **22**
