2. No later than the first warning signal, the Race Committee (RC) signal boat will display the course Letter and Number.
3. The Race Committee will give courtesy radio announcements of the course selected prior to the first start. Additional announcements may be given before each warning/starting signal.

**10. MARKS**

1. Mark(s) are listed in Appendix A.

**11. OBSTRUCTIONS**

1. Government buoys marking a security zone around the Chicago water cribs and the area which they define are considered as an obstruction. Boats shall not sail within the perimeter established buoys marking the security zone.

## **12. THE START**

1. Prior to the warning for the first race or during the four-minute period prior to their start, each boat shall check in with and be recognized by the Race Committee by passing close on starboard side of the Signal Boat and hailing their sail number or boat's name. Radio requests for confirmation of check in will not be acknowledged.
2. To alert the boats that the first sequence of races will begin soon, the Race Committee will make repetitive sound signals at least one minute before the warning signal is made.
  - a. Failure to receive courtesy emails, text messages, or broadcasts from the Race Committee is not grounds for redress. This changes RRS 62.1.
3. The starting line will be between a staff displaying an orange flag on the Race Committee boat at the starboard end and SA7 at the port end of the line. The Race Committee may set a guard mark attached to the stern of the Signal Boat. Yachts shall not pass between the guard mark and the RC boat.
4. Boats whose warning signal has not been made shall avoid the starting area, approximately 100 yards beyond the ends and leeward of the starting line, during the starting sequence for other races. [DP]
5. A boat that does not start within 10 minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS A5.1 and A5.2.
6. If any part of a boat's hull is on the course side of the starting line at her starting signal and she is identified, the race committee will attempt to hail her sail number. Failure to hail her number, failure of her to hear such a hail, or the order in which boats are hailed will not be grounds for a redress for request. This changes RRS 62.1(a).
7. In the event of a General Recall, the recalled class will start five minutes after the last scheduled start. If more than one class has been recalled, the additional recalled classes will be restarted at five-minute intervals in the order recalled. This modifies RRS 29.2.

## **13. CHANGE OF THE NEXT LEG OF THE COURSE**

1. To change the next leg of the course, the race committee will move the finishing line to a new position.

## **14. THE FINISH**

1. The finishing line will be between a staff displaying an orange flag on the finishing mark at the starboard end and the course side of the port-end finishing mark.
2. If the race committee is absent when a boat finishes, she should report her finishing time, using GPS CDT, and her position in relation to nearby boats, to the race committee at the first reasonable opportunity using the VHF Race Channel.

## **15. PENALTY SYSTEM**

1. RRS 44.1: The first two sentences are replaced with: "A boat may take a One-Turn penalty when she may have broken one or more rules of Part 2 or rule 31 in an incident while racing." This changes RRS 44.1.

## **16. TIME LIMITS**

1. The time limit for all classes is 2100.
2. The time limit will not be changed as a result of postponements, general recalls or for any other reason.

## 18. SCORING

1. One race is required to be completed to constitute a series.
2. The Scoring system is as follows:
  - a. Sections will be scored using Time-on-Distance, with the Beer Can Handicap Rating.
  - b. The Beer Can Handicap Rating for a boat will be assigned by COLYC considering the boat's LMPHRF handicap and/or rating application.
  - c. The Low Point Scoring System, RRS Appendix A4, will apply with the following changes:
    - i. Boats failing to finish by 2100 on the day of race will be scored TLE (Time Limit Exceeded) and scored points equal to the number of finishers within their section in that race plus four, but in no case will be scored more than the number of starters plus one within their section. This changes RRS 35.
    - ii. Race Committee Boat Points: When a boat serves as Race Committee boat for a race she shall be awarded series points for one race equal to the average points she earned for her best N-1 finishes in other races in that series, rounding up, where N is the number of races counted, pursuant to Section 18.3, to determine series placement. The average points she earned for the one race credit shall be added to the total summation of points making up her N-1 finishes.
3. RRS Appendix A2 will be changed as follows:

Races Completed in Series	Worst Scores Excluded
< 4	0
4-7	1
8-10	2
>10	3
