RALLY RACES

10. THE START

- 10.1. The starting line will be between an orange floating mark on the port end of the line, and an orange flag on the Race Committee signal boat on the starboard end of the line.
- 10.2. Each race shall begin at 1245 hours. If the Race Committee needs to postpone the race, it will fly the Answering Pennant (Flag AP). Once the Answering Pennant is lowered, the Race Committee will broadcast the new starting time via VHF 78.
- 10.3. At the start of each race, the Race Committee will make ten long sounds, and raise the orange flag marking the signal boat end of the start line. Thereafter, the start line is open, and boats may start any time within 15 minutes of the start time. The Race Committee will note each boat's start time for scoring purposes. At 14 minutes after the start line opens, the Race Committee shall make one long sound, indicating that the line will close in one minute. At the end of the 15-minute window, the Race Committee will again make ten long sounds. Boats may not start after this time.
- 10.4. In order to make it easier for the race committee to identify boats at the start and finish, boats shall display a sail number on their sails. If a boat does not have a sail number on their sail, they may display it on a sail board or large piece of paper or cardboard in letters at least 12" tall so that it is clearly visible to the Race Committee. Boats shall use the sail number already assigned to them if one already exists on its sails. Boats without a sail number may apply for one from US Sailing at www.ussailing.org/competition/offshore/services/sail-number-application.

11. THE FINISH

The finish line will be between a staff displaying a blue flag on the Race Committee signal boat and the course side of the finishing mark, which shall be left to port. The Race Committee signal boat shall be left to starboard. Boats shall display their sail numbers required under Section 10.4 from five minutes before finishing until one minute after finishing. This enables the Race Committee to easily identify boats when they finish.

12. TIME LIMITS

- 12.1. The time limit for each Race will be 1600 hours, plus the amount of any postponement.

Boats racing in "Jib and Main" sections will be scored separately from boats racing in "Spinnaker" sections
