

BCIR SI Amendment #1

APPENDIX #1 MARKS:

J70 / Melges 24 Marks ~~The windward mark will be a Green Quantum Tetrahedron with the offset a White Bacardi cylinder, both marks to be left to port. The Melges 24 gate will be an Orange Bot. The J/70 gate will be an Orange Bot placed upwind from the white gate marks. Boats will pass through the gate and may round in either direction. In the absence of an offset mark or one gate mark, boats will round the single mark to port.~~

Is replaced with:

J70 / Melges 24 Marks The windward mark will be a Green Quantum Tetrahedron with the offset a White Bacardi cylinder, both marks to be left to port. The Melges 24 and J70 gate will be Orange Bots. Boats will pass through the gate and may round in either direction. In the absence of an offset mark or one gate mark, boats will round the single mark to port.

Viper 640 / VX One Marks The windward mark will be a Green Quantum Tetrahedron with the offset a White Bacardi cylinder, both marks to be left to port. The Viper 640 and VX One gate will be Orange Bots. Boats will pass through the gate and may round in either direction. In the absence of an offset mark or one gate mark, boats will round the single mark to port.
