

## **Melges 32 Blue Water Series NOR Amendment #1**

NOR 12.2 has been amended as follows –

With the exception of the 2 assigned practice days prior to the start of each event, teams may not practice, tune or test within a 25 mile radius of the racing area described in 12.1, 14 days prior to the start of the event. *During the first Blue Water Series event, the US Nationals, teams will be assigned 3 practice days.*
