These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

Applicable US SAILING Prescriptions (Rx) to the Racing Rules of Sailing

Rx to 88.2 After rule 88.2 add:

US Sailing prescribes that sailing instructions shall not change or delete rule 61.4, Appendix R, or its prescriptions to rules 40, 60.3, 67 70.5, 70.5(a) or 76.1.

Rx to rule 61.4 Add rule 61.4:

61.4 Fees for Protests and Requests for Redress

US Sailing prescribes that no fees shall be charged for protests or requests for redress.

Rx to rule 67 After rule 67 add:

US Sailing prescribes that:

- a. *A boat that retires from a race or accepts a penalty does not, by that action alone, admit liability for damages.*
- b. *A protest committee shall find facts and make decisions only in compliance with the rules. No protest committee or US SAILING appeal authority shall adjudicate any claim for damages. Such a claim is subject to the jurisdiction of the courts.*
- c. *A basic purpose of the rules is to prevent contact between boats. By participating in an event governed by these rules, a boat agrees that responsibility for damages arising from any breach of the rules shall be based on fault as determined by application of the rules, and that she shall not be governed by the legal doctrine of 'assumption of risk' for monetary damages resulting from contact with other boats.*

Rx to rule 76.1 After rule 76.1 add:

US SAILING prescribes that an organizing authority or race committee shall not reject or cancel the entry of a boat or exclude a competitor eligible under the Notice of Race and Sailing Instructions for an arbitrary or capricious reason or for reason of race, color, religion, national origin, gender, sexual orientation, or age.

However, an organizing authority or race committee may exclude a competitor who is a citizen of, or holds a World Sailing ID as an MNA member of, a country listed on the US Sailing website at

<https://www.ussailing.org/exclusion>.

USSAILING Rx to Appendix R is in effect. The full text is available upon request.

MARK 3/GATE/LEEWARD

This language is inserted in the course description:

The R/C will lay Mark 1A approximately 50 - 100 meters (7 – 15 boat lengths) to windward of Mark 1. Boats shall pass in order Marks 1, 1A, and then 1 all to port before proceeding to the next Mark, per STCR 34.2. In the event of a change of course, both Marks can be moved to maintain the configuration of the course; Mark 1 or 1A can either be pulled entirely; or replaced by a mark vessel. This changes STCR 34.2, Courses.

The practical effects are that 1) it clears the boats approaching the windward Marks from boats rounding the mark and heading downwind much as the current “horizontal” offset to the side does, and 2) has the added advantage of moving the windward rounding pile-up off to the right and downwind of the top-end mark 1A, optimally to or past the starboard layline outside the limits of the respective zones. It increases the likelihood that the port tack boats approaching do so outside of the zones where RRS10 applies and there’s plenty of water to maneuver as needed.
