

## Quantum J70 Midwinter Championship

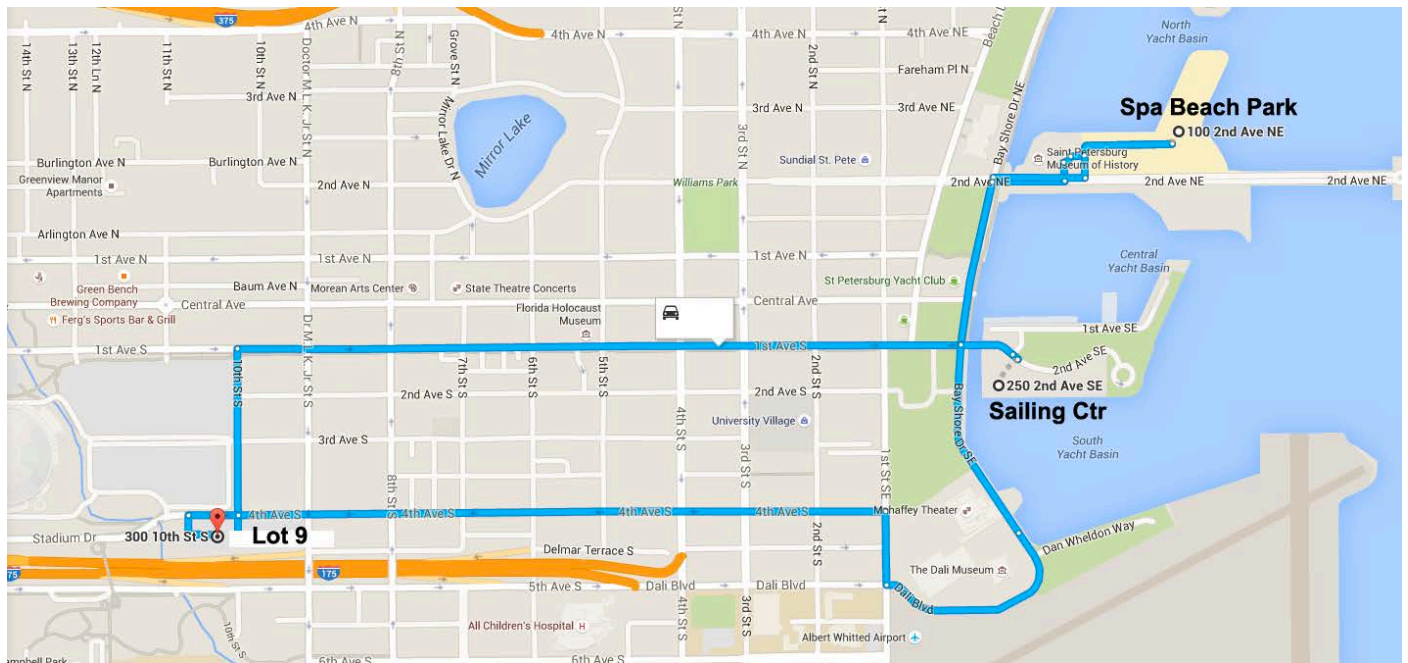

### Storage Options

**Onsite Storage:** For J70's competing in the St. Pete NOOD (Feb 12-14) and the Midwinters, storage will be available onsite between the events for a total of 10 boats. Reservations must be made via email to [waterfront-director@spyc.org](mailto:waterfront-director@spyc.org), and reservations will be accepted on a first come, first serve basis until full. Boats/trailers will be accepted in the lot beginning at 6pm on Feb 14<sup>th</sup> and may stay through 3pm March 1<sup>st</sup>. A waiting list will be maintained for this storage, as well.

**Free Local Storage:** Trailer parking will be available at Spa Beach Park (615 2nd Ave. NE. St. Petersburg, Florida 33701) from **February 21<sup>st</sup> through February 29<sup>th</sup>**. There is no cost for this storage. Since this is City-owned parkland, we ask that you please drive carefully and be mindful to tread lightly.

If you are arriving prior to February 21<sup>st</sup>, you may store your trailer at Tropicana Lot 9 (998 4th Ave S, St Petersburg, FL 33705) from February 1<sup>st</sup> through February 21<sup>st</sup>. There is no cost for this storage. All boats/trailers must be removed by February 22<sup>nd</sup> to accommodate the Tampa Bay Rays' Fanfest.

Each of these storage options have been used numerous times for events in the past and we are not aware of any issues, however please take all necessary precautions to ensure your vessel is locked or secured to prevent any theft or other damage from occurring.

If you'd like to take advantage of these storage options, but will be out of town or otherwise unable to move your boat/trailer from Tropicana Lot 9 to the Spa Beach Park, arrangements can be made with Joule Yacht Transport (Event Sponsor) to haul your vessel in your absence. Their telephone number is 727-573-2627.

**Paid Local Storage:** We have made arrangements with local organizations to allow for the secure storage of your boats/trailers before, during, and after the event. Arrangements must be made by contacting these organizations directly, and there may be fees associated with the storage.
