APPENDIX – US SAILING PRESCRIPTIONS:

US SAILING PRESCRIPTIONS

The following US Sailing Prescriptions shall apply

RRS 60.3.:

US Sailing Prescribes that: (b) request redress for a boat or call a hearing to consider redress;

RRS 61.4

US Sailing prescribes that no fees shall be charged for protests or requests for redress.

Appendix R

See rules 70 and 71. This appendix replaces Appendix R as adopted by World Sailing for the purpose of creating a two-level appeals system. The US Sailing Appeals Committee acts as the national authority under rule 71.

Frequently Asked Questions (FAQ) on the appeals system and their answers, including advice on how to prepare an appeal, can be found on the US Sailing website. Go to appeals.ussailing.org and click the 'Appeals FAQ' link.

RRS 67.

US Sailing prescribes that:

- (a) A boat that retires from a race or accepts a penalty does not, by that action alone, admit liability for damages.
- (b) A PC shall find facts and make decisions only in compliance with the rules. No PC or US Sailing appeal authority shall adjudicate any claim for damages. Such a claim is subject to the jurisdiction of the courts.
- (c) A basic purpose of the rules is to prevent contact between boats. By participating in an event governed by the rules, a boat agrees that responsibility for damages arising from any breach of the rules shall be based on fault as determined by application of the rules, and that she shall not be governed by the legal doctrine of 'assumption of risk' for monetary damages resulting from contact with other boats.

RRS 76.1.

US Sailing prescribes that an OA or RC shall not reject or cancel the entry of a boat or exclude a competitor eligible under the notice of race and sailing instructions for an arbitrary or capricious reason or for reason of race, color, religion, national origin, gender, sexual orientation, or age.
