

Amendment #2

The Sailing Instructions has been revised as of December 1, 2016 to include:

Section 1.2 (c) is changed to read:

Rules 35, A4 and A5 are changed. All boats must finish the race before **1900** Friday, December 2, 2016. Boats failing to finish with the time limit will be scored DNF without a hearing. **(The Awards Dinner is moved 1 hour later)**

Section 1.2 is changed to add an item 1.2(e) and reads as follows:

Rule 62.1 (a) is changed - **In the event of light air, the race committee may, at its own discretion, move the starting line North to a new location. Neither the decision to move the starting area nor the location of the new starting area shall be grounds for granting redress.**

Section 5.1 is changed to read:

Boats will sail from the starting line at Anchorage Nun buoy "B" direct to the finish line at Lake Worth Inlet. **In the event that the starting area is moved under provisions set forth in item 6.2, boats will sail from the starting line direct to the finish line at Lake Worth Inlet.**

Section 6.2 is changed to read:

The starting line will be between Anchorage Nun buoy "B" just North of Government Cut and a staff displaying an orange flag on the race committee signal boat. **In the event of light air, the race committee may, at its own discretion, move the starting line North to a new location. To do so, the RC will display Code Flag "L" with one sound and motor to the new location. Once there, she will anchor, and either begin a starting sequence or await further developments. In such case, the starting line will be between a staff displaying an orange flag on the port side of the race committee signal boat**

and a nearby mark to port. The RC will not move the starting line until all boats are checked-in or accounted for or 0800, whichever is earlier. Neither the decision to move the starting area nor the location of the new starting area shall be grounds for granting redress. This changes RRS 62.1(a).

Section 8.2 is changed to read:

Written protests shall be filed no later than **1930**, December 2, 2016.
