MODIFICATION TO DAY RACE PROGRAM

The Day Race Program Sailing Instructions shall apply for this event modified as follows:

START:
The start will be between a staff displaying an orange flag on the RC signal boat and Red Bell "32" (The Cows).
The first Signal is scheduled for 1300.

THE COURSE:
The marks of the course are those described in Attachment 1 of the Day Race Program Sailing Instructions.
Courses are to be sailed to the mark signaled by a code flag and back to the starting area, wherein the code flag for the next mark of the course will be displayed. Boats are then to sail to that next signaled mark and back. This pattern shall be repeated until the RC signals code flag "H".

ROUNDINGS:
All signaled marks, being reciprocal to the "Cows", shall be left to port.

THE GATE:
Upon returning to the starting area, all boats must pass through a gate formed between the RC signal boat and the "Cows" before proceeding to the next signaled mark. The signal boat may be stationed on either side of the "Cows." Boats may round either end of the gate.
