Sponsored by: Stamford Yacht Club, Royal Danish Yacht Club, Stamford Sail and Power Squadron, Consulate General of Denmark

1. RULES

1.1 The race shall be governed by rules as defined in the Racing Rules of Sailing 2009-2012 (RRS), except as may be modified by the Notice of Race or these Sailing Instructions. In the event of inconsistencies, these Sailing Instructions shall prevail. The Ideal 18 and Multi-hull racers shall be governed by their respective Class Associations Rules, published separately. The Ideal 18 sailing instructions will be published separately.

(a) The following prescriptions of US Sailing will apply: prescriptions to RRS 68 and 76.1.

1.2 The following fleet rating classification rules shall be in effect:

(a) Racing will be conducted in PHRF classes for boats rating 30 and higher. Each entrant shall indicate and adhere to his intention to race in a spinnaker or non-spinnaker class. This event will use the YRA-LIS PHRF standard ratings.

PHRF- Non-spinnaker class is defined as prohibiting the use of any headsail with a mid-girth (mid-luff to mid-leech) more than 50% of its foot measurement. This means: jib only - no flashers. Except when changing headsails, non-spinnaker boats may not fly more than one headsail at a time.

(b) IRC- Racing will be conducted in IRC classes for boats rating 0.975 and faster. IRC racing may also be offered for boats slower than 0.975 if there is sufficient interest. Such entrants shall submit both IRC and PHRF certificates. There will NOT be dual scoring - entrants must elect to race under PHRF or IRC.

(c) Multi-hulls shall race under the Portsmouth Rule

(d) Classic boats (at least 25 years old) shall sail as designated on the Scratch Sheets. For trophy purposes, they shall also be scored separately.

1.3 Each participating boat is required to fly the flag of Denmark or other red and white flag from its starboard rigging and the code flag corresponding to its class from the backstay. Multi hulls need not fly a class code flag.

1.4 A boat withdrawing is required to immediately notify the Race Committee via VHF Channel 05.

1.5 Each boat (except I-18) must conform to YRA of LIS Minimum Equipment & Safety Recommendations Category C. All boats shall have a VHF radio capable of broadcasting and receiving over channel 05. Channel 72 will be used for the Ideal 18 course.

2. THE COURSE

2.1 There shall be one start line for all divisions. Courses for each division shall be signaled as described in 2.2 and 2.3.

2.2 Each Division shall be assigned to either Course "I" or Course "II" as designated on the Scratch Sheets. Courses for each shall be signaled from the Race Committee Boat (Course Board) as a display of letters mounted vertically below the "I" or "II" designation and indicating the identification and order of each turning mark to be rounded.

2.3 The Race Committee may elect to set temporary turning marks as marks of the course (as designated in Sec.3.1) If temporary turning marks are used they shall be orange or yellow tetrahedrons.

2.4 Marks shall be rounded in the order signaled and so that the rhumbline leaving a rounding mark shall not cross the rhumbline approaching that mark. Where rhumb lines are reciprocal, the mark being rounded is to be left on the same side as the preceding mark.

2.5 After starting, a boat shall not recross the starting line while racing.

Do not approach the committee boat on the finish line. Keep the information for possible later use.

Should all parties to the protest accept the opinion, the boat accepting the mediator's opinion that she broke a Rule of Part 2 of the Racing Rules of Sailing shall receive a scoring penalty of 20% of the number of boats starting in her class (rounding .5 upward) to her actual finish position and no hearing will take place. If, after mediation, a hearing is held, the mediator shall not participate in the hearing. This changes RRS 63.3(a)
