

## IRC Sailing Instructions

### AMENDMENT #2

Sailing Instruction #8 is hereby deleted and replaced with the following:

#### 8 COURSES

A course board displayed from the Signal Boat will identify **the direction and distance to the windward mark and** the number of the course to be sailed. Different courses may be sailed for each class and the course board for each class will be displayed before the warning signal for that class. The Race Committee will also attempt to notify all competitors of the course to be sailed using VHF Channel 05A.

Windward / Leeward courses will be sailed with marks to be left to port. The course board will display the identifying the course to be sailed by indicating on the bottom line the number of legs.

The Race Committee may set a leeward gate. If no gate is in place, boats should round the single leeward mark, leaving it to port. The leeward mark or gate will be to windward of the start/finish lines. The leeward mark or gate is not a mark of the course for a final downwind leg.

The Race Committee may set an offset mark at the Windward Mark. If set, the offset mark will be an orange ball. If no offset mark is in place, boats shall round the Windward mark, leaving it to port.
