

CHICAGO CORINTHIAN YACHT CLUB

SAILING INSTRUCTIONS - AMENDMENT #2 -- Spring Opener - Buoy Race --

1. Coaching - Outside Assistance

- 1.1. CCYC may provide an 'on the water' coach in a separate coach boat for the event. The coach will be broadcasting advice to all competitors on channel 72 as well as taking photos, videos, and notes of other participating boats to be discussed post race at the Chicago Corinthian Yacht Club. Any boat who wishes to participate may tune in to channel 72 after the start. Competitors cannot request information from the coach while racing, but are permitted to do so between races on channel 72. Any information or omission offered by the coach will not be considered outside assistance or grounds for redress or protest. This complies with RRS 41 C and D. All racers are invited to the club house post race for an active post race 'Chalk Talk' review of the coach's observations.
