

Leukemia Cup Retatta
August 24, 2019

Due to the sea state the Race Committee boats are not able to anchor.
Therefore, the starting time and race courses for all classes are being changed.

The race course for all classes will be from the Chicago Harbor Light, around the Harrison Dever Crib to port, and finish at the Chicago Harbor Light.

The start line and the finish line will be between the Chicago Harbor Lighthouse and the green marker on the breakwall.

Start time will be any time after 13:00. No boat may start later than 14:00.

Each boat is to record her own start and finish time and report the elapsed time to the Race Committee located on the Rail Car deck of Columbia YC.
