

Bristol Yacht Club
2019 Millard Series Sailing Instructions
In Honor of Robert B. Millard Sr.

Amendment 01

The following instructions are changed or removed:

Due to the change of Courses #1 and #2 in the 2019 Attachment 1 (Course Sheet) where the previous Courses included a 'W-L' mark, the following Instructions are removed;

- 8.6 When an East-West course, using marks T and W-L, has been selected, and it calls for circling those marks twice (Course 6), the Race Committee may change (shorten) the course to once around (Course 5) at any time before the first boat rounds mark T for the second time. This changes Rule 27.1.
- 8.6.1 The Race Committee shall signal such a change by the display on the course of alpha flag C (Charlie) and numerical pendant 5, accompanied by attention drawing sound signals.
- 8.6.2 Boats will, therefore, finish the race at the Finish Line originally designated for both courses 5 and 6.
- 8.6.3 This permits the shortening of the course without requiring the mark boat to stay on station and record each boat's finish at a rounding mark.

- 8.7 When an East-West course, using marks T and W-L, has been selected, and it calls for circling those marks once (Course 5), the Race Committee may change (lengthen) the course to twice around (Course 6) at any time before the first boat rounds mark T for the second time. This changes Rule 27.1.
- 8.7.1 The Race Committee shall signal such a change by display on the course of alpha flag C (Charlie) and numerical pendant 6, accompanied by attention drawing sound signals.
- 8.7.2 Boats can, thereby, be given a longer course if conditions warrant the change.

MARKS – Instruction 9.4 is changed eliminating the following W-L Mark and description;

- 9.4 W-L A temporary, inflatable mark placed in or near Area U described in 7.1.3 and either directly Windward or Leeward of, and approximately 1 N.Mi from Mark T. Care must be given to avoid grounding when crossing between Mark M and Hog Island.
